About Us

Founded in 2012 in Singapore, Payment Options is a rapidly growing global payment processing company. We stand out by focusing on underserved markets that larger players might overlook. Our goal is to provide reliable and efficient payment solutions to businesses of all sizes.

With our deep understanding of the challenges faced by small businesses, we have developed a robust payment infrastructure and formed strategic partnerships to address these obstacles. Our agile start-up mindset enables us to quickly adapt to the evolving needs of these markets, simplifying payment processes, automating operations, and strengthening security features.

Our Vision

To be the leading global omnichannel payment partner providing secure, innovative, and affordable digital payment solutions to underserved markets.

Our Mission

Connecting people and communities through leading-edge technology-driven payment solutions to deliver lasting value to our merchants and partners.
